Come with Paskey Tours on an enjoyable late summer motorcoach trip that's just packed full of things to see. Our feature attraction will be The Ark Encounter, a marvel of engineering that is seven stories tall and is a football field and a half long. There are three decks of exhibits. Get ready to experience close-up encounters with stunning animals! Some are life-like recreations from Noah's day and others are living, breathing animals from today.

TUESDAY: Our bus departs this morning from the Trinity Lutheran Church parking lot in Kent. Our first stop as we head towards Cincinnati will be in Middletown, OH, where we will visit the Beau Verre Art Studio. Take in all the beautiful glass creations and watch the masters at work creating stained glass windows. Then we continue to our hotel for the next two nights, the Holiday Inn Riverfront in Covington, KY. This evening we board the Queen City Riverboat for a two hour private dinner cruise on the Ohio River with contemporary gospel music.

WEDNESDAY: After breakfast at our hotel this morning we depart for THE ARK. What we will see is the most authentic replica of Noah's Ark in the world. The Ark includes three levels of hundreds of different displays. There is Noah's study, living quarters, exhibits, cages, storage vessels, along with recreations of how Noah and his family may have lived. There is an animatronics version of Noah that will even answer questions. Offering the same quality of Universal Studio's, this is a "one of a kind in the world" structure. Be prepared to be amazed. While a lot of walking is required, there are benches available for resting, along with elevators and gently sloping ramps. We will return to our hotel in the late afternoon to rest up a bit. Dinner will be at the historic Washington Platform Restaurant, which actually opened in 1860. Following our private buffet dinner, we will be entertained by Bob Ford, who will present his lighthearted performance of his Folklore and Fun show called "Talk to the Animals".

THURSDAY: After breakfast, we depart our hotel and take a ride to EnterTRAINment Junction. Explore the world's largest indoor model train display, then stop by the American Railroad Museum and see how the railroads changed the growth of America. Lastly, we will pay a visit to Jungle Jim's International Market, a "Theme Park of Food". This unique store has six acres under one roof. We will be given a guided tour of the store, which will include tasty food samples. We then depart for home and return in the early evening.
